Easter offering - the collection at all masses this weekend is your Easter offering to your clergy, for which many thanks.

Easter Evening service - at 6.00pm today - a quiet half hour reflection on the events of Easter evening.

A very big 'thank you' - to everyone who played any part in the preparation of the church and liturgies for the beautiful Holy week events and also for the £211 raised from the sale of Easter chicks last weekend.

Fr. Terry's meals - many people have kindly offered to make a meal for Fr. Terry or to take him out - he likes this! - but have not been able to access the internet connection. We have decided therefore to create an alternative way of doing so. A rota will be passed round at Masses in all three churches every two or three weeks for you to sign up. You may bring him some lunch or a light tea - please be sure to eat your meal with him when you do. The rota will then be entered into Fr. Terry's diary and passed on to Kevin Mullan who will put it on the database, which you can access directly on km444622@yahoo.co.uk or by phone on 444622. This will begin on May 4/5.

Christian Aid Event - Afternoon Teas - Sunday 12th May - 3pm to 5.00pm. Supported by Churches Together in Market Bosworth, Our Lady & St Gregory's Church is again hosting afternoon tea, homemade cakes and a tombola stall. Last year we raised over £600. We warmly invite you all to come and share with us a relaxing and very pleasant afternoon, price £3.00. All the money raised by this event will go to Christian Aid.

"Widening the Circle of Love" - we hope to produce an interim document on the first weekend of May, detailing what is involved in moving forward together with less priests or even no priests. Key to this is finding people to be 'responsible' for each act of service in our parishes, so that others will know who to contact should they wish to become involved. If you feel you are willing to accept such a role for a particular service please see Fr. Frank as soon as possible. We hope to produce a handbook and an on-line directory before the summer holidays. The burden of responsibility has become a very heavy one and it will be good to share it.

Parish Database - as part of our new plans and as a way of keeping in immediate contact with as many people as possible, we would like to create a parish database of email addresses in order to send out information in a similar way as happens with our schools. If you have already put your email address on one of our census cards and do not object, that is fine. If you do object, please see Fr. Frank. If you have not given us the address please write it clearly on a piece of paper and hand it in over the next two weeks. All information is kept in confidence.
