"Jesus doesn't want us to follow the path of self-sufficiency. In order to be good Christians, we need to recognise that we are sinners." *Pope Francis*

Well done, Greg! Many congratulations to Greg Drozd, our parish historian and archivist, who was awarded the British Empire Medal in the Queen's New Years' Honours List in recognition of his work for the community of our town – well deserved!

The partnership of prayer – if any retired parishioners would like to be a prayer partner to one of our First Communion children, please see Fr. Frank

2018 – the year will mark the culmination of the centenary commemorations of the First World War. The parish will honour its war dead during the course of the year. On the Sunday nearest to the anniversary of the death of each casualty we will read out the name of the casualty. Information about the casualty will be placed within the church. Over the year this information will build into a commemorative record for our parish. In this way we will not forget the sacrifices made by the families of our parish. Where possible this record will include a photograph of the casualty. If you have a family photograph that you would like added to the record, please see Father Frank or Father Daniel, so that copies can be arranged. In addition, the war memorial outside church will be cleaned and restored

First Communion 2018 - Preparation Session for parents and children – next Sunday at 11.00am in the centre – these sessions are essential.

Interactive morning and Family Confession – Saturday January 20 from 9.30-12.00pm here.

Mass of Anointing and Tea – for retired and housebound parishioners – Sunday February 4th at 3.00pm. Please take an invitation and return it as soon as possible. Our First Communion parents will be doing the catering.

St. Peter's Pre-School – Mrs. Marina Brooks has retired as proprietor and manager of our pre-school, which she established in 2010. She has made an immeasurable contribution to the formation of our young children and the care and support of their families. She has also gained for the pre-school a wonderful reputation of faith, formation and kindness, which has meant that it is continually oversubscribed, and piloted many initiatives of the Early Years projects in the county. She would like to say a big 'thank you' to staff, priests, parents and parishioners for their kindness and support, and we also want to thank her for all she has done on our behalf and the many sacrifices she and Robin have made for the parish and the pre-school. Mrs. Alison Bates has taken on Marina's responsibilities and is a kind and professional lady whom we are sure will continue the high standard of the pre-school.
