"I would like to say to anyone who feels far away from God and the Church, to anyone who is timid or indifferent, to those who think they can no longer change: the Lord calls you too to become part of his people, and he does this with great respect and love. He invites us to be part of his people, the People of God" *Pope Francis*

2018 – the year will mark the culmination of the centenary commemorations of the First World War. The parish will honour its war dead during the course of the year. On the Sunday nearest to the anniversary of the death of each casualty we will read out the name of the casualty. Information about the casualty will be placed within the church. Over the year this information will build into a commemorative record for our parish. In this way we will not forget the sacrifices made by the families of our parish. Where possible this record will include a photograph of the casualty. If you have a family photograph that you would like added to the record, please see Father Frank or Father Daniel, so that copies can be arranged. In addition, the war memorial outside church will be cleaned and restored
